WELCOME

Welcome to the Great Northwoods of Wisconsin

The support this sale receives is amazing and does not go unnoticed. The list of sponsors grows every year, and we cannot thank you all enough. What started as a small regional sale has grown tremendously over the last few years. This will be the eighth year for the Great Northern Longhorn Classic, and we are very thankful you decided to join us. This sale continues to gain traction across the nation, and we look forward to first timers enjoying the family reunion atmosphere. Having the sale, food, and entertainment at 5D Ranch makes this sale a family affair. Many locals have bought their first longhorns at the sale and have come back year after year. We also have many breeders from across the country that continue to consign and buy at this sale.

Last year was a great year for the Great Northern Longhorn Classic. We sold the first \$30,000 longhorn in the state of Wisconsin and had a futurity with over 160 entries. Space is getting limited, but we are going to do everything we can to accommodate everyone who wants to join in on the fun.

We hope you enjoy this sale. It's a lot of fun to have everyone in house and for us to show some good ol' Wisconsin hospitality. We are looking forward to this sale and the Cheesehead Futurity so grab a seat, a plate of cheese curds, and let's have some fun!

DOB: 3/20/2023

BREEDING: Not Exposed.

COMMENTS: I think this is the prettiest heifer that I've ever raised. She's a half-sister to the 105" TTT Kid Rock bull and the \$275k Fast Iron cow. Her dam is a Loomis bred JP Rio Grande daughter that has really produced with El Coyote Tari in her pedigree. I just can't say enough about this heifer! Buy with confidence. BREEDING: Bull calf at side born 4/20/2024, sired b Dynamic 0. Exposed back to Dynamic 0 from 4/21/2024 to sale date.

COMMENTS: Tabbie comes from the Bowman foundation herd. We've owned her since she was 13 months old. She's had seven calves in eight years and has a perfect udder. She's a great milker, a consistent producer, has big horns and is big-bodied. She's one of our foundation females who will be 84" TTT by the sale date. Tabbie is an easy keeper. We wanted to put one of our best in support of this sale and she does not disappoint! There are no holes in this cow. Her DNA is pending.

COMMENTS: Here she is! HL Steel Magnolia measured 67" TTT on 3/18/2024 and won't be three years old until September 8th! She's an own daughter of the great Investment bull and out of a great Hudson bred cow. She's super easy to work and calm in the pasture. This is a great animal for anyone's herd!

Commanders Place Longhorns, Nik & Kim Nikodym

DOB: 4/15/2016

PH#: 615

REG: CI298776

BREEDING: Exposed to PCC Run Away Gray from 8/22/2023 to 1/31/2024. Palpated 6 months bred on 5/13/2024.

COMMENTS: OCV'd. GLR Archer's Abigail is an exceptional pedigreed animal. Her maternal pedigree goes back to some of McGill's finest genetics, including Dutch Hop and Hash Knife. Her paternal side includes greats such as Texana Van Horne and Jamoca. We are retaining her 2022 bull calf and her 2023 heifer in our program. She measured 76.25" TTT on 5/13/2024 and her genetics indicate that she will go over 80" TTT at maturity with a slower/longer growing horn profile. Abigail sells bred to PCC Run Away Gray (2022 HSC Get-of-Sire), one of the industry's leading Grulla bulls, who's over 80" TTT and 100"+ TH for a Summer 2024 calf. She is a very calm and gentle animal. For updated information visit: www.CommandersPlaceLonghorns.com.

Hoosier Longhorns, Tracy Jones & Dan Jones

**DOB:** 8/26/2019**PH#:** 9/14**REG:** CTI321537**BREEDING:** Bull calf at side born 4/12/2024, sired by N8ive Legendz. Not exposed back.

COMMENTS: Calypso 9/14 is out of a Bronze winning pedigree for horn! Showtime Mona Lisa won 14 bronze's from 2013 to 2017. Mona is out of the very famous Horse Head Show Time, but she has made her own way in the Longhorn industry... With two sons over 90" TTT, one daughter over 90" TTT and three in the high 80's+ TTT, with a number of heifers coming up on the way! She has generated over \$200k in offspring. Calypso can do this for you... Roll the dice, pick the right bull and head to the bank! Wild Serenade wouldn't take \$100k for his Showtime Mona Lisa daughter! No gamble involved in this one.

**DOB:** 5/13/2021**PH#:** PENDING**REG:** PENDING**BREEDING:** Exposed to LM Dani Boy from 7/15/2023 to 11/1/2023.

COMMENTS: OCV'd. Here's your shot at a gorgeous daughter of M.C. Hangin' Tuff, who's already in production and ready to go to work for you. Her pedigree on top boasts three animals over 100" TTT, out of one of the most consistent families in our breed. On the bottom side, you have a great mix of JP Rio Grande and HCR genetics that the Hudson Program has built off of. Here is the fun part, she 62.75" TTT back in December with a ton of total horn. These genetics twist and roll out in the 3-4 age gap and she's starting to show that now. Here is your chance to hop in on industry leading genetics that won't take three years to make. She will be a front pasture, futurity producing female for years to come!

COMMENTS: Krinkles is a beautiful, speckled cow right at 80" TTT of horn with all of that tremendous twist. We have a beautiful daughter out of Annex that has the same twisted horns and is already 85" TTT and still growing. **DOB:** 12/3/2019**PH#:** 199**REG:** CI326728

BREEDING: Bull calf at side born 3/30/2024, sired by Silver Leighman. Exposed back to Hubbells Butch Cassidy from 4/1/2024 to sale date.

COMMENTS: This girl is 100% Bolen breeding and one of the quietest cows we own. She has great Texas twist horn. Her pedigree is a who's who, going back to Rowdy HR, the 2x HSC Ultimate Bull, Fifty-Fifty BCB, BL Safari Sue and Dunn Betting... royally bred for sure. She has a bull calf at side by our 86" TTT black and white bull, Silver Leighman, and then exposed back for a possible 3-in-1 to none other than Hubbells Butch Cassidy, who measures 87" TTT, which then brings in all the 90" TTT Van Horne Ladies, for an exciting colorful calf. No flaws here.

She is an excellent momma with a spunky, speckled up bull calf at side out of our junior herd sire, M7 Pacific Dusty, who's own sire is the 100" TTT Pacific Cowboy 40. M7 Pacific Dusty has one heck of a powerhouse maternal line, beginning with the 93.5" TTT Rio Dustette. DON'T miss out on this possible 3-in-1 package!

COMMENTS: Smoked Gouda is my name and being cheesy is my game! SSR Smoked Gouda is a beautiful, feminine, dun and white paint heifer. She is sired by our chunky grulla bull, Smokey & The Bandit and out of Hunts Do Unto Others, who is an own daughter of Hunts Command Resect and came straight off the Hunts ranch in Utah. Gouda was born in one of the worst winters on record and has come out looking great! COMMENTS: We're bringing you some of the cream off the top of our heifer pen with this consignment. Her sire is a truck black son of JH Rural Safari Son and out of a true black daughter of Cowboy Catchit Chex. This all brings in Bob Loomis legends wrapped into one bull; Poco Lady BL, Night Safari BL833 and BL Rio Catchit! The best part is, that is just the top side! Now, let's talk about her mother, Gunnin For Glory. She's a daughter of the multiple time high money winner, Hubbells 20 Gauge. There's lots of power in this pedigree and for you long time breeders, make sure to take notice of her great granddam at the bottom of her pedigree, LLL Gunmans Flash, who's a full sister to the great Gunman! She is short exposed to Iron Hand from February to June of this year. He brings in Drop Box, Cowboy Tuff Chex, Jam Packed, Top Hand, Top Caliber and Shadow Jubilee.

COMMENTS: Here's a big, thick, deep-bodied cow. She's a great milker, is well behaved and has a lot of twist in her pedigree. COMMENTS: This young heifer is loaded with great animals from some great programs. COMMENTS: This girl has a beautiful, unique color with Texas twist horns. She is a young genetic package that goes back to two of our favorite bulls, KC Just Respect and CV Call of Duty. Her dam, Silver Sparkle, ended up close to 90" TTT. She has been exposed back to the color producing machine Hubbells Butch Cassidy, who measures 87" TTT. This brings in all the Delta Van Horne ladies, who have 90" TTT. No flaw with this one.

COMMENTS: Here is a beautiful, colored up daughter of the over 100" TTT Tuff Cowboy DC. That brings in four over 100" TTT animals on her sire's side. She is the first one to the feed truck when she hears it coming, but low end of the power structure within the herd. She had a beautiful blue roan bull calf, that we are watching, as her first calf. She is bred to DCR Roman's Jest, who is over 80" TTT at three years old and multiple futurity winner as well as grand champion. This pairing is sure to be a winner! COMMENTS: Red Rover is a big-bodied cow who is a great milk producer and maintains size year round. She has great conformation and demeanor, my daughter can hand feed her. She has a ton of horn producers in this pedigree. She measured 79.5" TTT on 4/29/2024. We are retaining a heifer of hers as her replacement. She's been exposed to WS Apollo from 12/1/2023 to 2/1/2024 and from 5/28/2024 to the sale date. COMMENTS: OCV'd. LBR Tuff Love has about as stacked of a pedigree as you can hope for. Going back to the \$700k cow producing Rebel HR, BL Swahili- who just had a daughter sell for over \$50k at the Legacy Sale, as well as bringing in the 90" TTT Drag Iron and famous BL Safari Sue. That is just the top side. On the bottom, she is out of a gorgeous Cowboy Tuff Chex daughter. Tuff is still the longest horned bull in the breed at 107" TTT and is a son of the first 90" TTT cow in our breed, BL Rio Catchit. Tuff Love is built well, has amazing color and is going to start pushing out some serious horn. To top it all off, she is currently bred to LM Dani Boy, who is a son of the 100" TTT and \$110k cow, TCC Dani. This pairing should be magical!

**DOB:** 12/29/2018**PH#:** 834**REG:** CI318418**BREEDING:** Confirmed bred to Game Changer 044.

COMMENTS: We've reached a point where it's necessary to part with some of our foundation and brood cows, which is particularly challenging. One such cow is Dunn Added Value, whom we purchased as a heifer from Nancy. She's consistently met our expectations. Sired by the impressive Investment bull, her lineage traces back to Cowboy Catchit Chex and includes five generations of Jimmy Jones breeding, culminating in the exceptionally twist-horned Horseshoe J Feat cow. Her horns are beginning to roll over, but beyond her impressive horns, she's exceptionally well-built. She's currently bred to Game Changer, our partnership bull with Jimmy Jones and Terry & Tammy King. This remarkable yellow bull, sired by M.C. Hangin' Tuff, is a 3x Futurity Champion and boasts a measurement of 87" TTT, even with 9" broken off.
