**BREEDING:** Exposed to Knight Shade from 8/15/2025 to 12/15/2025.

**COMMENTS:** If you're not first...you're last! We're honored to start off the 2025 Cheesehead Sale with this amazing consignment. WH Heart Throb is the best true black 2-year-old female I have had on the ranch. Her horn shape is absolutely phenomenal. She blew past 60" before 24 months and will be one of the largest black cows in the breed some day. She comes to you bred to the true black bull, Knight Shade! He is a grandson of Fifty Shades Darker that just had a black and white daughter sell for \$50K at Glendenning's sale. He has multiple daughters over 90" and one so far over 100"! If you ever had a dream of owning a true black female that was over 100" tip to tip, this one could be it!! Get your hands up!

**COMMENTS:** Divina is a front pasture cow with her size, color and don't forget that corkscrew horn that is show stopping. We get so many compliments on this cow and she has out done herself for us giving us three amazing replacement females. Her coming 4-year-old by Tuxedo is closing in on 80" of tight corkscrew horn and we have an Annex daughter pushing 80 and over 1400lbs. This cow is just amazing and is an outcross to many of today's genetics. She is also a true black and throws plenty of color. This is a cow you don't want to miss out on and combine that with her being bred to, TF Top Gun, bringing in Drop Box and with Jam Packed and Cowboy Tuff Chex.

COMMENTS: We wanted to finish the sale strong! So, it hurts a little to let this girl go. Hubbells Northstar gave us some great offspring and she may be the best of all! The only reason we are letting her go is because I am retaining her 9/26/24 heifer. I will have updated measurements on her at sale time. She measured 69.75" on 12/4/2024 but should be high 70's close to 80 at 3-years-old.
