BREEDING: Exposed to High Roller from 9/4/2025 to 2/17/2026. Confirmed bred 11/14/25.

COMMENTS: Her name says it all, UNBELIEVABLE!!! Her sire N8ive Legendz brings in a power packed pedigree including N8ive Dreamz, N8ive Beauty, Delta Lucky Ace and more. Her dam Uncommon HH is a daughter of the late great Hubbells 20 Gauge who consistently out produces herself. UNBELIEVABLE is proof of that as well as her younger 11 month old sister by DH Hired Hand that sold as Lot#1 at the Cherry Blossom Sale earlier this year for \$8,500. Now to sweeten the deal, she is confirmed bred to HIGH ROLLER a son of Century 100 which will inject the 3S Danica into the mix. Don't let this one slip away, you will surely regret it.

Out of YR Dixie Bell from the heart of the Young program, tracing to Tom Smith breeding, a cow that consistently gives us standout calves. We've shown her daughters and sons, and they've all done well. Already a class winner at the Bluegrass Futurity this spring, she's proving she can compete and win. Keep showing her at this pace and she could pay for herself before futurity season ends. Best of all, this is her first show season, making her eligible all next year too.
